

Beauty and the Beast, Jr.

Costumes, Hair, & Makeup Notes

Please find your role(s) and begin collecting your costume pieces early. Practice hair and makeup before dress rehearsal so you know how to do it when the time comes.

- Undergarments are necessary because everybody will change costumes in a large, public, co-ed dressing room. Please, no midriffs.
- Fitted undergarments help to ensure nothing is bulky and seen underneath the costume.

- Black shoes need to be completely black. Boys should have black socks.
- Light stage makeup means blush, lipstick, mascara, foundation optional. Please do not send extra makeup with your child.
- Children might want a sweater/sweatshirt to wear as they come and go from the theater.
